

Local Sales, Use Tax Rates and Changes

Effective July 1 - September 30, 2016

Local sales/use tax changes

There are no local sales/use tax rate changes this quarter.

Tools for finding local sales tax rates and codes

Operate your retail business knowing you are always charging your customers the right amount of sales tax. With our Tax Rate Lookup tools, all you need is the physical address or zip+4 of your business location or ship-to address. You will receive the local sales tax rate, corresponding local tax code, and a confirmation number so you can operate with confidence knowing your sales tax rates are correct.

We also offer a mobile version of our Tax Rate Lookup tools for download on both iOS and Android platforms, perfect for those constantly on the move or on the work site. Our Tax Rate Lookup tools can be found by going to our website at dor.wa.gov/TaxRateLookup.

Organized racing

This is a reminder that effective January 1, 2016, charges to participate in outdoor racing events are no longer subject to retail sales tax. A few examples of such activities are:

- Marathons
- 5 - 10 K's
- Bicycling races
- Triathlons

If the event organizer has collected retail sales tax on registration fees paid on or after January 1, 2016, the retail sales tax must be refunded to the customer or remitted to the Department. These are trust fund dollars and event organizers may not keep the collected taxes. See our website for more information regarding this change at:

Now you can amend returns electronically

You can now amend any filed return using our new online amended return application. Simply log into My Account, select the return you want to change, and click amend. If filed electronically, the original return will launch allowing you to update the numbers you want to change. If filed on paper, a new return is presented and the corrected return can be entered. The application checks for errors, and calculates the tax difference. You can make a payment for the amount due, request that a credit be applied to another return, or request a credit or refund.

Attend a free tax workshop

Business owners in Washington are responsible for knowing which taxes to report. To help new and small business owners, the Washington State Department of Revenue will offer, over the next three months, 16 free tax workshops at various locations around the state. If you can't attend in person, sign up for a live broadcast webinar that covers the same information. Participants will learn about Washington excise taxes, reporting classifications, deductions, tax incentives, sales tax collection and record-keeping requirements. Attendees receive a workbook and helpful reference guide to Revenue's rules and regulations. View a complete schedule of workshops offered statewide at dor.wa.gov/Workshops, or watch a short streaming video version of the workshop at dor.wa.gov/NBOvideo.

Auto-generated or suggested gratuity added to an electronic check, bill, etc.

Many restaurants allow customers to pay through electronic means, applications (apps), on their customers' mobile devices, or through table kiosks, tablet computers, etc. accessed by customers.

Gratuity would be considered clearly voluntary and exempt from tax if the app or restaurant device did the following at the time of payment:

- makes clear that gratuity is voluntary by defaulting to a blank line or
- displaying \$0 value for the gratuity that the customer can freely adjust after the meal or service is provided and clearly makes the customer aware the gratuity is voluntary.

The above bulleted examples outline instances where the Department will presume that gratuity to be clearly voluntary. To the extent the opportunity to pay a gratuity differs from these examples, the Department will examine the facts and circumstances to determine whether or not the gratuity is 'clearly voluntary.' For more, see our Tax Topics article on Gratuities (Tips) at:

<http://dor.wa.gov/content/getaformorpublication/publicationbysubject/taxtopics/gratuities.aspx>

The benefits of E-file

- Available anytime, anywhere you have internet access.
- Fill in the numbers and let E-file do the math.
- More accurate than paper, with current rates and error checking.
- Fast, secure and customizable—show only the lines you need to report.
- File your return early and schedule your payment for the due date.
