## Information Technology Specialist 6 - Tumwater, WA

**\$5,535 - \$7,258 per month (range 70), depending on qualifications**

### Agency Information

UPDATED review date of resumes.

\*\*This position is open until filled; however, we will begin reviewing resumes on November 23, 2009.\*\*

Work in a dynamic learning organization, with great leaders and talented co-workers! Washington State's principal tax collection agency, the Department of Revenue oversees about 60 different taxes. We collect 92.4 percent of state General Fund tax revenues and all local sales tax revenues. The Department of Revenue processes approximately 2 million tax returns annually. Businesses constitute the largest group paying state taxes, with nearly 452,000 businesses currently filing tax returns on a monthly, quarterly, or annual basis. Nearly 297,600 other small businesses are registered with the Department, but they have no tax liability and are not required to file tax returns.

The Department of Revenue employs approximately 1,000 people and is headquartered in Olympia, with local offices in 12 cities statewide. More than half are located in the Olympia-Tumwater area. We also operate another 16 offices throughout the state, including 12 that are open to the public to provide taxpayer assistance. The agency employs 45 auditors in 17 out-of-state locations near major business centers. Key employee functions include: Providing taxpayer assistance, information, and education; accounting for and processing tax revenues and information; distributing money to local governments; conducting appeals; administering property taxes; developing tax legislation; handling unclaimed property; conducting tax and fiscal research; locating unregistered businesses; auditing and collecting delinquent taxes; and enforcing compliance. The Department of Revenue also administers special programs, such as those affecting timber, cigarette, real estate, leasehold, and estate taxes.

### Duties

As the designated IT project management expert for the Core Tax and E-Commerce program area, this position performs project management responsibilities for the larger, more complex application development projects which impact multiple groups of internal and/or external customers. Under the general supervision of the Core Tax and E-Commerce Systems and Programming Manager, the IT project manager is responsible and accountable for the overall planning, organization, execution and control of assigned projects. The IT Project Manager ensures that the resulting solutions are delivered on time, within budget and scope, and with the required quality.

### Qualifications

\* A Bachelor degree including 9 semester or 15 quarter hours of computer science courses, and five years of information

**Requisition Title:** 1400 479N Information Technology Specialist 6 NB00019582

technology project management experience on projects that cross program or agency boundaries. This experience must include information technology analysis, system maintenance, or troubleshooting/problem resolution experience, or analyzing, designing, or programming computer systems applications or databases.

OR

\* An Associate's degree or completion of an accredited vocational training program in an information technology or related program, and six years of project management experience on projects that cross program or agency boundaries. This experience must include information technology analysis, system maintenance, or troubleshooting/problem resolution experience, or analyzing, designing, or programming computer systems applications or databases.

#### Additional Qualifications

\* Proven skills in defining and documenting project scope, project objectives, resource evaluation, and developing and implementing project plans to carry out organizational objectives.

\* Strong understanding of the technical issues associated with information systems and the skill to interpret an extensive variety of technical information and relate it to non-technical audiences.

\* Experience in systems planning, design, development, testing, installation, evaluation, and operational management.

\* Highly Desirable: Completion of a PMI certified project management professional (PMP) certification.

### Special Notes

Compensation:

\$5,535 to \$7,258 per month (Range 70), depending on qualifications.

Outstanding benefits include: health, dental, life and long-term disability insurance; vacation, sick, military and civil leave; dependent care assistance program; employee advisory service; deferred compensation plans; educational benefits program; 11 paid holidays; Commute Trip Reduction Incentives; flexible work hours; training; and state retirement plans.

## Other Information

Special Notes:

The act of submitting application materials electronically is considered affirmation that the information is complete and truthful.

Prior to any new appointment into the Department of Revenue, a background check will be conducted.

This position is covered by a collective bargaining agreement between the Department of Revenue and the Washington Public Employees Association (WPEA) which contains a "union security" provision. This means that, as a condition of employment, you must either join the union and pay union dues or pay the union a representational or other fee within 30 days of the date you are put into pay status.

The Washington State Department of Revenue is an equal opportunity employer. We strive to create a working environment that includes and respects cultural, racial, ethnic, sexual orientation and gender identity diversity. Women, racial and ethnic minorities, persons of disability, persons over 40 years of age, veterans or people with military status, and people of all sexual orientations and gender identities are encouraged to apply. Persons needing accommodation in the application/testing process or this job announcement in an alternative format may call Human Resources at (360) 725-7501, TDD/TTY (360) 664-0580.
