

Who do I contact at the county to find out more information about where to go to negotiation a payment in lieu of tax (PILT) required by Engrossed Substitute House Bill 1287?

Because each county is likely to implement its own unique PILT negotiation process, the Washington State Association of Counties (WSAC) recommends initially contacting the Chair of the County Commission/Council and the County Clerk of the Board or Council to find out more information.

A link to WSAC's searchable member directory is provided below to assist tribes with contact information:
