

Second Stakeholder Meeting - Tax Avoidance Legislation

Background On June 23, 2010, the Department held a meeting to receive input from stakeholders on the recently passed tax avoidance legislation (Sections 201-203 of 2ESSB 6143, Laws 2010). Since that time, the Department has been working on a draft rule to implement the legislation.

Draft Rule Prior to formal rulemaking, the Department is seeking informal input from stakeholders on the proposed draft rule.

A copy of the proposed draft rule is available at:
<http://dor.wa.gov/Docs/Pubs/Misc/DraftTaxAvoidanceRule.pdf>

Stakeholder Meeting The Department is inviting stakeholders to attend a public meeting to discuss its proposed draft rule. The meeting will be held:

October 20, 2010 at 9:00 a.m.
Capital Plaza Building
1025 Union Ave SE
Fourth Floor Executive Conference Room
Olympia, WA 98504

A limited number of phone-in lines are available for those who are unable to attend in person.

Future Rulemaking The Department will begin formal rulemaking later this year. During formal rulemaking, the Department will publish a draft rule in the Washington Register, provide additional public comment periods, and hold a public meeting and a public hearing.
