Summary of 2009 Tax Legislation Now Available

OLYMPIA, Wash., June 2, 2009 — The Department of Revenue has posted online a summary of tax-related legislation enacted during the 2009 legislative session.

The Department generates the tax summaries annually to help make businesses aware of changes to the state tax system. The 2009 summary, which covers 43 bills and their projected fiscal impact, if any, over the next four years, is available at

http://www.dor.wa.gov/Docs/Reports/2009/Summary_2009_Tax_Leg/2009-LegSummary.pdf.

Additional information on specific legislation that replaces resale certificates with sellers' permits, clarifies the taxation of digital products, and requires monthly taxpayers to file and pay their taxes electronically, is available at <http://dor.wa.gov>.
