Department of Revenue to close Everett office, open Bothell office to the public

Everett, July 7, 2011 -- The Washington State Department of Revenue will close its Everett field office Aug. 26 and begin providing taxpayer assistance from its Bothell office Aug. 30.

The Bothell office, located at 19800 North Creek Parkway, Suite 101, has not been open to the general public, but will now have a customer service counter where taxpayers can file returns, make payments, and receive help on business tax issues.

Consolidating the two offices will reduce the agency's future operating costs, while allowing continued face-to-face assistance to taxpayers north of Seattle, said Director Suzan DelBene.

The Bothell office will be open Monday through Friday, 8 a.m. to 5 p.m. The telephone number will be (425) 984-6400. Taxpayers also can call the Department's toll-free line at 1-800-647-7706 or visit its website at dor.wa.gov.
