Revenue moves free e-file webinar to Jan. 8, 2015

The Department of Revenue's Dec. 10 e-file webinar has been rescheduled.

OLYMPIA – Dec 4, 2014 – To help business owners better understand the benefits of filing their taxes online, the Washington State Department of Revenue (Revenue) will host a free live webinar for new and small business owners on Thursday, Jan. 8, 2015. This webinar was originally scheduled for Dec. 10, 2014, but had to be rescheduled.

Participants will learn how to file electronically; how to sign up for electronic due date reminders and sales tax changes; and learn about various payment options including EFT debit, EFT credit, E-check, and credit card. Whether you're a small business or a CPA who handles multiple accounts, e-file offers several advantages over traditional paper filing, including 24/7 access to your tax return and payment system, and automatic error checking, to name a few. Here are the webinar details:
