Revenue offers free webinar about taxes for businesses

OLYMPIA – July 16, 2014 – Business owners in Washington have many responsibilities, including knowing which taxes they must report. To help reach more businesses statewide, the Washington State Department of Revenue (Revenue) will host on July 30 a free live webinar for new and small business owners.

In offering these live webinars, Revenue aims to make it easier for small businesses to participate.

“We’ve offered in-person workshops for a number of years, and offering online webinars will make it easier for small businesses to fit a workshop into their busy schedules,” Revenue Director Carol K. Nelson said.

Date: Wednesday, July 30, 2014

Time: 10 – 11 a.m.

Registration: Send an email to NBOWebinar@dor.wa.gov with the following:

- Your name
- Company name
- Phone number
- E-mail address

The deadline to register is Friday, July 25, 2014.

Participants will learn about Washington excise taxes, reporting classifications, deductions, sales tax collection and record-keeping requirements. The webinar facilitator will answer specific questions related to your business at the end of the webinar.

The Revenue website at www.dor.wa.gov/Workshops offers a complete schedule of in-person business workshops held around the state and short video versions of the workshops.
