

City of Selah Tourism Promotion Area (TPA) Lodging Charge Rate Change

Effective October 1, 2011, the City of Selah Tourism Promotion Area (TPA) has adopted an ordinance authorizing an increase in the rate of special assessments (lodging charges) within the established areas. The City of Selah TPA lodging charge will increase to two dollars (2.00) per unit per night of stay. Lodging businesses within the TPA, with 40 or more units, must collect the lodging charge from persons who purchase lodging.

What to Collect and Report:

Selah lodging businesses within the TPA are identified in the following chart:

Location	Location Code	TPA Charge

Lodging Facilities that Report the TPA Lodging Charge:

For the purpose of this charge, “lodging business” means a business located within the City of Selah TPA that furnishes lodging taxable by the state under 82.08 RCW that has 40 or more lodging units. If you have less than 40 units, or if your lodging business is not within the boundaries of the City of Selah TPA, you do not need to collect and report the TPA lodging charge.

How to Report:

- **If you report using E-file**, the TPA lodging charge will be available in the Lodging Section.
- **If you report using the Combined Excise Tax Return**, you will report the TPA lodging charge on page 2 of the return.
