Walla Walla City Tourism Promotion Area (TPA)  
Lodging Charge Rate Change

Effective July 1, 2015, the Walla Walla City Tourism Promotion Area (TPA) has adopted an ordinance authorizing an increase in the rate of special assessments (lodging charges) within the established areas. The Walla Walla City TPA lodging charge will increase to include a charge up to $2.00 per room per night of stay. Lodging businesses within the TPA, with 40 or more rooms, must collect the lodging charge from persons who purchase lodging.

What to Collect and Report:
Walla Walla City lodging businesses with 40 or more rooms are identified in one of the following zones:

**Zone A:** Encompasses all the area within the City of Walla Walla that is west of Wilbur Avenue or west of the southerly or northerly extension of the end of Wilbur Avenue.

If you have less than 40 rooms, or if your lodging business is not within the boundaries of the Walla Walla City TPA, you do not need to collect and report the TPA lodging charge.

How to Report:
- If you report using E-file, the TPA lodging charge will be available in the Lodging Section.
- If you report using the Combined Excise Tax Return, you will report the TPA lodging charge on page 2 of the return.
- If you report using the Retailing and Other Activities Return, you will report the TPA lodging charge on the Lodging Addendum.

Example:
If you received the Retailing and Other Activities return, you will report the TPA lodging charge on the Lodging Addendum. Below is an example of how to report.
