AMENDATORY SECTION (Amending WSR 13-08-028, filed 3/27/13, effective 4/27/13)

WAC 458-16A-100 Senior citizen, disabled person, and one hundred percent disabled veteran exemption—Definitions. (1) **Introduction.**

This rule contains definitions of the terms used for the senior citizen, disabled person, and one hundred percent disabled veteran exemption from property taxes. The definitions apply to the senior citizen, disabled person, and one hundred percent disabled veteran exemption contained in sections RCW 84.36.381 through 84.36.389 unless the context clearly requires otherwise.

(2) **Annuity.** "Annuity" means a series of long-term periodic payments, ((fixed or variable,)) under a contract or agreement. ~~((An annuity may be paid as the proceeds of a life insurance contract (other than as a lump sum payment), unemployment compensation, disability payments, or welfare receipts.))~~ It does not include payments for the care of dependent children. For purposes of this subsection, long-term means a period of more than one full year from the annuity starting date.

~~((a))~~ Annuity distributions must be included in "disposable income," as that term is defined in subsection (12) of this section, whether or not they are taxable under federal law. A one-time, lump sum, total distribution is not an "annuity" for purposes of this section, and only the taxable portion that would be included in federal adjusted gross income should be included in disposable income.

~~((b))~~ ~~Disability payments include, but are not limited to, payments made by such agencies as the federal Department of Veterans Affairs for service-connected disabilities, the federal Social Security Administration, and the Washington state department of labor and industries.~~

~~(c)~~ A "series of payments" means at least one payment per period over more than one period, where a period can be a week, month, or year. Payment amounts do not have to be equal. Annuity distributions may fluctuate based on the age of the individual, the performance of the investment options, etc. Payment periods do not have to be consecutive. For example, if a distribution is made one year and four years pass before another distribution is made, this can still qualify as an "annuity" for purposes of this section.)

(3) **Assessment year.** "Assessment year" means the year when the assessor lists and values the principal residence for property taxes. The assessment year is the calendar year prior to the year the taxes become due and payable. It is always the year before the claimant receives a reduction in his or her property taxes because of the senior citizen, disabled person, and one hundred percent disabled veteran exemption.

(4) **Capital gain.** "Capital gain" means the amount the seller receives for property (other than inventory) over that seller's adjusted basis in the property. The seller's initial basis in the property is the property's cost plus taxes, freight charges, and installation fees. In determining the capital gain, the seller's costs of transferring the property to a new owner are also added onto the adjusted basis of the property. If the property is acquired in some other manner than by purchase, the seller's initial basis in the property is determined by the way the seller received the property (e.g., property exchange, payment for services, gift, or inheritance). The seller ad-

justs (increases and decreases) the initial basis of the property for events occurring between the time the property is acquired and when it is sold (e.g., increased by the cost of improvements made later to the property).

(5) **Claimant.** "Claimant" means a person claiming the senior citizen, disabled person, and one hundred percent disabled veteran exemption by filing an application with the county assessor in the county where the property is located.

(6) **Combined disposable income.** "Combined disposable income" means the annual disposable income of the claimant, the claimant's spouse or domestic partner, and any cotenant reduced by amounts paid by the claimant or the claimant's spouse or domestic partner for their:

- (a) Legally prescribed drugs;
- (b) Home health care;
- (c) Nursing home, boarding home, or adult family home expenses;

and

(d) Health care insurance premiums for medicare under Title XVIII of the Social Security Act.

Disposable income is not reduced by these amounts if payments are reimbursed by insurance or a government program (e.g., medicare or medicaid). When the application is made, the combined disposable income is calculated for the assessment year.

(7) **Cotenant.** "Cotenant" means a person who resides with the claimant and who has an ownership interest in the residence.

(8) **Department.** "Department" means the state department of revenue.

(9) **Depreciation.** "Depreciation" means the annual deduction allowed to recover the cost of business or investment property having a useful life of more than one year. In limited circumstances, this cost, or a part of this cost, may be taken as a section 179 expense on the federal income tax return in the year business property is purchased.

(10) **Disability.** "Disability" means the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months. (RCW 84.36.383(7); 42 U.S.C. Sec. 423 (d)(1)(A).)

(11) **Disabled veteran.** "Disabled veteran" means a veteran of the armed forces of the United States entitled to and receiving compensation from the United States Department of Veterans Affairs at a total disability rating for a service-connected disability. (RCW 84.36.381 (3)(b).)

(12) **Disposable income.** "Disposable income" means the adjusted gross income as defined in the Federal Internal Revenue Code of 2001, and as amended after that date, plus all the other items described below to the extent they are not included in or have been deducted from adjusted gross income. (RCW 84.36.383.)

(a) Capital gains, other than gain excluded from the sale of a principal residence that is reinvested prior to the sale or within the same calendar year in a different principal residence;

- (b) Losses. Amounts deducted for loss;
- (c) Depreciation. Amounts deducted for depreciation;
- (d) Pension and annuity receipts;

(e) Military pay and benefits other than attendant-care and medical-aid payments. Attendant-care and medical-aid payments are any pay-

ments for medical care, home health care, health insurance coverage, hospital benefits, or nursing home benefits provided by the military;

(i) Attendant-care payments and medical-aid payments, defined as any payments for medical care, home health care, health insurance coverage, hospital benefits, or nursing home benefits provided by the Department of Veterans Affairs (VA);

Some payments or allowances are included in their gross income for the federal income tax while others are excluded from their gross income. Excluded military pay or benefits include:

nontransient persons living as a single noncommercial housekeeping unit. The term does not include a boarding or rooming house.

(23) **Ownership by a marital community or domestic partnership.** "Ownership by a marital community or domestic partnership" means property owned in common by both spouses or domestic partners. Property held in separate ownership by one spouse or domestic partner is not owned by the marital community or domestic partnership. The person claiming the exemption must own the property for which the exemption is claimed. Example: A person qualifying for the exemption by virtue

of age, disability, or one hundred percent disabled veteran status cannot claim exemption on a residence owned by the person's spouse or domestic partner as a separate estate outside the marital community or domestic partnership unless the claimant has a life estate therein.

(24) **Pension.** "Pension" generally means (~~an agreement to provide~~) an arrangement providing for payments, not wages, to a person (or to that person's family) who has fulfilled certain conditions of service or reached a certain age. It includes up to one acre of the parcel of land on which a mobile home is located if both the land and mobile home are owned by the same qualified claimant and it includes any additional
