

# PREPROPOSAL STATEMENT OF INQUIRY

**CR-101 (June 2004)**

(Implements RCW 34.05.310)  
Do NOT use for expedited rule making

**Agency:** Department of Revenue

**Subject of possible rule making:** WAC 458-40-540 Forest Land Values & WAC 458-40-660 Timber excise tax -- Stumpage value tables

**Statutes authorizing the agency to adopt rules on this subject:** RCW 84.33.096, 82.32.300, and 82.01.060(2)

**Reasons why rules on this subject may be needed and what they might accomplish:** RCW 84.33.140 requires that forest land values be adjusted annually by a statutory formula contained in RCW 84.33.140(3). The Department anticipates amending the Forest Land Values rule (WAC 458-40-540) to adjust the table of forest land values in Washington as required by statute. County assessors will use these published land values for property tax purposes in 2012.

RCW 84.33.091 requires the Department of Revenue to revise the stumpage value tables every six months. The Department establishes stumpage value tables to apprise timber harvesters of the timber values used to calculate the timber excise tax. The Department anticipates amending WAC 458-40-660 to provide valuations for the 1st Half of 2012.

**Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:** Although the U.S. Forest Service and Washington State Department of Natural Resources both regulate forest practices, neither is involved in valuation for taxation purposes. The non-tax processes and definitions are coordinated with these agencies to avoid conflict, but there should be no need to involve them in the valuation revisions provided in this rule.
