

STATE OF WASHINGTON
Department of Revenue
SOLE SOURCE POSTING

The Department of Revenue contemplates awarding a sole source contract to **Elecdata Electronic Data Solutions** to purchase a hand held log scaling device called Allegro 2 Standard Wifi, BT, 512 MB RAM 8 GB Storage with Docking station and software.

This log scaling device is needed so that DOR can determine the correct timber tax liability to comply with the Washington State Law. Based on our market research we believe that this vendor has the only product that meets our business need for the following requirements listed below.

Requirements Are:

- Need the following five (5) separate types of scaling methods:
 - Eastside Scribner
 - Westside Scribner
 - Northern Idaho Region 1
 - Forest Service Scribner
 - JAS Metric
- Must be hand held with Wifi ready.
- Ability to hookup to a computer with USB port and upload information.
- Ability to provide onsite training for the device and software.
- Ability to provide maintenance and software support for the device; including, but not limited to, fixes and upgrades.
- Vendor also must be able to provide emergency repair service.
- The hand held mobile device must be able to encrypt data at rest using a National Institute of Standards (NIST) approved encryption algorithm or cryptographic module.
- The device must be able to authenticate users to a Microsoft Windows Active Directory domain.
- The device must be capable of being added to a Microsoft Windows Active Directory domain as a computer.
- The device must have a method to patch security vulnerabilities.
- The device must be able to support an industry recognized anti-virus or anti-malware solution.
- Device must include a 2 year manufacturer's warranty.
- Device must have customized check scaling system software with PC support software.

Vendors who anticipate being able to provide a product that meets DOR's business need will need to submit a "capability statement" confirming they can meet all the requirements stated above.

The dollar value is estimated at approximately twelve thousand dollars (\$12,000).

DOR May purchase additional devices.

Vendors contemplating the above “requirements” are required to submit capability statements detailing their ability to meet the state’s requirements within five (5) calendar days of this announcement.

In the absence of other qualified sources, it is the state’s intent to make a sole source award of the contract.
