Agency: Department of Revenue

Subject of possible rule making: 458-40-660 Timber excise tax—Stumpage value tables—Stumpage value adjustments.

Statutes authorizing the agency to adopt rules on this subject: RCW [84.33.096](#), [82.32.300](#), and [82.01.060](#)(2).

Reasons why rules on this subject may be needed and what they might accomplish: RCW [84.33.091](#) requires the department of revenue to revise the stumpage value tables every six months. The department establishes stumpage value tables to apprise timber harvesters of the timber values used to calculate the timber excise tax. The department anticipates amending WAC 458-40-660 to provide valuations for the second half of 2022.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: Although the United States Forest Service and Washington state department of natural resources both regulate forest practices, neither is involved in valuation for taxation purposes. The nontax processes and definitions are coordinated with these agencies to avoid conflict, but it is not necessary to involve them in the valuation revisions provided in WAC 458-40-660.

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study
