

Lodging Information Rates and Changes

Effective April 1 - June 30, 2022

Lodging Taxes and Charges

Lodging businesses may be required to report transient rental income, the special hotel/motel taxes, the convention and trade center taxes, and the tourism promotion area charges. These taxes and charges are reported on the Lodging section of the Combined Excise Tax Return.

Businesses providing lodging for less than 30 days must report **transient rental income**. Examples of lodging businesses include hotels, motels, bed and breakfasts, vacation rentals, trailer camps, RV parks, and tent campgrounds. Reporting this income allows cities and counties to receive a distribution from the state portion of the retail sales tax. It is not an additional tax.

The *Lodging Rates & Changes table*, beginning on page 2, identifies locations imposing lodging taxes, location codes and tax rates.

Special hotel/motel taxes may apply to lodging charges. The local rates vary by location (see column "Special Htl/Mtl" on the following rate chart). The gross taxable income reported under the special hotel/motel tax section should agree with the gross transient rental income reported for each location.

Convention and trade center tax: Effective January 1, 2019, this applies to most lodging businesses within King County, regardless of the number of rooms.

King County and Pierce County lodging businesses collect sales tax at two different combined rates depending on the number of lodging units. For more information and special reporting instructions, see the following special notices on our web site:

- **King County Regional Transit Authority (RTA) Tax Reporting Change** - go to dor.wa.gov click on *Find taxes & rates* then *Lodging information and rates*.
- **Pierce County Regional Transit Authority (RTA) Tax Reporting Change** - go to dor.wa.gov click on *Find taxes & rates* then *Lodging information and rates*.

Tourism Promotion Area (TPA) charges may apply to lodging businesses in participating cities or counties. Different zone rates may apply (see column "TPA" on the following rate chart). For more information about the Tourism Promotion Area charge, please see the Lodging Special Notice for your county, available on our web site at dor.wa.gov.

Note: For local sales and use tax changes this quarter, please visit our website at dor.wa.gov.

To determine the proper rate of local sales tax go to our web site at dor.wa.gov. You may look up rates by address or by the mapping feature.
