Now you can amend returns electronically

You can now amend any filed return using our new online amended return application. Simply log into My Account, select the return you want to change, and click amend. If filed electronically, the original return will launch allowing you to update the numbers you want to change. If filed on paper, a new return is presented and the corrected return can be entered. The application checks for errors, and calculates the tax difference. You can make a payment for the amount due, request that a credit be applied to another return, or request a credit or refund.

Do you sell prepaid wireless telephone cards or wireless service?

Effective January 1, 2014, businesses that make retail sales of prepaid wireless telephone service must collect the Enhanced 911 (E911) Prepaid Wireless tax and remit it to the Department of Revenue. This includes retail businesses that sell prepaid wireless phone cards. Prior to January 1, 2014, this tax was collected by the provider of the wireless phone service.

The E911 Prepaid Wireless tax of \$.95 applies to each retail transaction. These sales are reported on your excise tax return and must be reported to the location where the sale occurred.

The E-911 Taxes Must be Collected by Sellers of Prepaid Wireless Service Special Notice provides more information regarding this change. You may also visit Department's website at dor.wa.gov/E911 for more information regarding the E911 taxes.

Verify your customer's reseller permit

Approximately 130,000 businesses have reseller permits that expire on December 31, 2013. If your customer makes purchases using a reseller permit, take the time to make sure they have renewed their permit. We have tools to help you verify your customer's reseller permit online at dor.wa.gov/resellerpermit.

Are you using your reseller permit correctly?

Use your reseller permit only to purchase items for resale. Do not use it for personal or household items, promotional gifts, or materials and contract labor for speculative construction. The Department routinely verifies proper use of reseller permits; misuse of a reseller permit could result in a 50% penalty or possible revocation of the permit. For more information, visit dor.wa.gov/resellerpermit.
