

Car Dealers and Leasing Companies Local Sales & Use Tax Rates and Changes

Washington State Dept. of Revenue

Effective July 1 - Sept 30, 2019

Local sales/use tax changes

(Effective July 1, 2019)

City of Aberdeen

Sales and use tax within the City of Aberdeen will increase five-one hundredths of one percent (.0005). The tax will be used for transportation services.

Motor vehicle sales and use tax

Motor vehicle dealers and motor vehicle leasing companies must collect the additional sales tax of three-tenths of one percent (.3%) of the selling price. This applies to every retail sale or lease of a motor vehicle in Washington. "Motor vehicle" means every vehicle that is self-propelled as defined in RCW 46.04.320. However, this does not include farm tractors, farm vehicles, off-road vehicles, non-highway vehicles, and snowmobiles. Additional information can be found on the Department's website at dor.wa.gov/motorvehiclesalestax.

Washington businesses selling to other states

The Supreme Court's decision in June 2018 removed the requirement of physical presence for states to require businesses to register and collect sales tax on sales to customers in their state. Most sales tax states have adopted new registration and collection requirements since this decision, or are in the process of doing so.

You should be aware of any changing requirements in the states where you make sales. If you have questions, contact the governing agency for the state in which you have customers.

Out-of-state businesses selling to Washington customers: updates to retail sales tax registration thresholds

Effective Oct. 1, 2018, businesses without physical presence making more than \$100,000 in gross retail sales or 200 transactions* to Washington customers are required to register in Washington state and collect/submit retail sales tax to the state.

* The 200 transaction threshold was eliminated on March 14, 2019.

Out-of-state businesses making between \$10,000 and \$100,000 in retail sales, and 200 or less transactions to Washington, have a choice to either register and collect sales tax, or follow use tax notice and reporting guidelines.*

* The notice and reporting requirement will be eliminated on July 1, 2019.

Physical presence definition

You do not have to have a location in Washington to have physical presence. You have physical presence if you have employees or property in Washington, or you engage in activities to establish or maintain a market for your products in Washington. For a list of nexus-creating activities, visit our "Out-of-state businesses" page at dor.wa.gov.
