

# Interim Guidance Statement Regarding Preemption of Retail Sales Tax related to Tribal Fishing, Hunting, and Gathering

April 1, 2022

## Purpose

Effective April 1, 2022, the Department of Revenue is issuing this interim guidance statement to recognize the preemption of retail sales tax with respect to purchases of retail goods and services directly used in the tribal fishing, hunting, and gathering activities of qualified purchasers.

## Scope

By adoption of this interim guidance statement, neither the Department nor the State of Washington intends to create any new rights, or expand, extend, enlarge, or affect in any way the scope of any existing rights beyond the context of potential tax liability. The guidance provided in this notice is limited to the preemption of retail sales tax on sales to qualified purchasers.

## Preemption of retail sales tax on qualified goods or services used directly in qualified fishing, hunting, and gathering activities

Retail sales tax does not apply to retail sales of qualified goods or services to qualified purchasers directly used in qualified fishing, hunting, and gathering activities, regardless of where the goods or services are delivered to the qualified purchaser.

## How to document the exempt transaction

To document the exempt nature of this transaction, the qualified purchaser must complete the Tribal Fishing, Hunting, and Gathering form and the seller must maintain it in their records for up to five years after its last use. This form can be found on the department's website at [dor.wa.gov](http://dor.wa.gov).
