As of December 2004, the state-shared tax was being distributed to 141 cities and 35 counties. The special hotel/motel tax was being levied by 105 cities and 22 counties.

NOTE: the state-shared tax is not an additional tax for the purchaser, but simply shifts state retail sales/use tax receipts to the local jurisdictions. The special hotel/motel taxes, however, are added to the price of the lodging and are therefore passed on to purchasers.

^{*}Includes amounts not shown separately because there are fewer than three taxpayers in a particular local jurisdiction.
