* Exemptions were increased as a result of the passage in 1998 of ESSB 6533 by the Legislature. Qualifying participants whose income is \$18,000 or less receive an exemption of \$50,000 or 60% of their residence value, whichever is greater. Those with incomes between \$18,001 and \$24,000 receive an exemption of \$40,000 or 35% of their residence value, whichever is greater, but no more than \$60,000. The value of the residence is also frozen as of January 1, 1995, or the initial year of application.
