## 3 Attendance

I agree to follow all [student expectations](#).

I understand to receive continuing education credit for accreditation, I must complete all training activities and attend 83% of this class. A classroom hour is defined as a minimum of fifty minutes out of each sixty-minute hour ([WAC 458-10-010\(3\)\(e\)](#)). For example, a three-hour class, or 180 minutes, requires students to attend a minimum of 150 minutes ( $150 / 180 = 83\%$ ).

I want a certificate of attendance upon successful completion of all training requirements.
