Known Issue for Investigative and Security Services

How should the location of the sale of bodyguard and investigative services be determined?

General Questions for Investigative and Security Services

- What issue(s) do you want to raise?
- Do you have suggestions on how the law should apply to your business activities?

Next steps

- 1 Review the information gathered during listening sessions and incorporate in guidance.
- 2 Publish interim guidance documents as they are finalized starting in September.
- 3 Continue to actively engage with interested parties as we work to create permanent guidance.

Thank you for attending!
