

Lodging local sales tax change: City of Enumclaw

Transportation Tax

At the request of the Department of Revenue (DOR) and after discussions between DOR and King County (County), the County has amended two ordinances which affect the transportation tax and its impact on lodging businesses.

Effective April 1, 2026, the local sales tax (line code 45) for lodging businesses in Enumclaw will have an increase of three-tenths of one percent (.003) and a decrease of three-tenths of one percent (.003) in Special hotel-motel tax (line code 70).

The rate charged to lodging customers is not changing. This is a change to the components of the tax rate only. This change only affects lodging businesses.

Businesses must collect the appropriate rate of lodging sales tax for sales of lodging.
