

TAX RATE CHANGES

WALLA WALLA COUNTY CRIMINAL JUSTICE TAX

Effective April 1, 2004, local sales and use tax within all of Walla Walla County will increase three-tenths of one percent (.003). This Criminal Justice Tax was approved by public vote during the November 2003 election. The tax will provide funding for criminal justice purposes to protect the safety of citizens of the county. The taxes received will be shared between the county and the cities as follows: Sixty percent shall be retained by the county and forty percent shall be distributed on a per capita basis to cities in the county.

Businesses must collect the appropriate rate of sales tax for retail sales and services provided within the county. The Criminal Justice Tax does not apply to the retail sale or use of motor vehicles or the lease of motor vehicles for the first thirty-six months of the lease.

Persons or businesses within Walla Walla County will be subject to the new rate of use tax on items purchased for their personal or business use if sales tax has not been paid.

To determine the proper rate of local sales tax you may access the Geographic Information System (GIS) located at <http://dor.wa.gov>. On the home page, click on the GIS icon and select Sales Tax Rates Address Lookup.

The sales tax collection schedule for the new combined state and local tax rate of 8.3% is attached. If you have questions, or if additional Sales Tax Collection Schedules are needed, please call the Department of Revenue at 1-800-647-7706.

HOW TO REPORT:

Sales and leases of motor vehicles must be separated from other retail sales. The Criminal Justice Tax creates two sales tax rates for each location in Walla Walla County and creates a need for an additional series of location codes.
