A limousine carrier is any business that takes pre-arranged reservations and transports passengers in a limousine. In other words, a limousine business can’t transport passengers that haven’t made a reservation at least 15 minutes before pick up, unless dispatched from their business office.

Any limousine business that picks up clients in Washington must have a Washington Limousine business license. DOL does not require a limousine business license if a business only drops off passengers in Washington.

For detailed information on limousine carrier requirements, please see Chapter 46.72A RCW and Chapter 308-83 WAC. Check our website at www.dol.wa.gov/business/limousine.

A limousine is a chauffeur-driven, unmetered, unmarked luxury motor vehicle. A limousine vehicle must meet one of the following definitions:

- **Stretch limousine**: An automobile with a seating capacity of not less than 4 and no more than 14 passengers in the rear seating area and a maximum wheelbase of 285 inches.
- **Executive sedan**: A four-door sedan with a seating capacity behind the driver of no more than 3 passengers and a minimum wheelbase of 114.5 inches or meets the federal (www.ecfr.gov) definition and has manufacturer’s suggested retail price greater than $35,000.
- **Executive van**: A van or minivan having a seating capacity behind the driver of 7-14 passengers.
- **Classic car**: A fine or distinctive automobile that is 30 years old or older.
- **Executive sport utility vehicle**: A sport utility vehicle with a seating capacity behind the driver of 3-6 passengers and a minimum wheelbase of 116 inches.
- **Stretch sport utility vehicle**: A sport utility vehicle with a seating capacity behind the driver of not less than 4 and not more than 14 passengers and a maximum wheelbase of 325 inches that has been factory altered beyond the original manufacturer’s specifications.

### Documentation Needed on Each Vehicle:

- **Certificate of Insurance or Bond**. Every vehicle must be covered by a liability insurance policy (see example below).
- **Vehicle Inspection Report**. You may choose to have either the Washington State Patrol (WSP) or the City of Seattle inspect your vehicle. If the WSP does the inspection you will pay $25 to the Business Licensing Service when you apply for your business license. If you get a limousine inspection from the City of Seattle, you will pay the $25 fee at the time of the inspection. A list of limousine inspection sites is available from the Business Licensing Service at http://dor.wa.gov/sites/default/files/legacy/Docs/forms/BLSS70036.pdf.
