Renewable Energy Facility Generating not Less Than One Kilowatt of Electricity

Sales and use tax exemptions apply to purchases and charges for installing machinery and equipment that will be used directly to generate electricity using fuel cells, sun, wind, biomass energy, tidal and wave energy, geothermal resources, technology that converts otherwise lost energy from exhaust, or gas in a facility that generates not less than one kilowatt of electricity based on the nameplate of the equipment.

Exemption Amount

- **From July 1, 2009 through June 30, 2011**, the exemption is equal to 100 percent of the total sales or use tax due when the sale occurs.
- **From July 1, 2011 through December 31, 2019**, the exemption is a partial exemption in the form of a refund from the Department of Revenue for 75 percent of total sales or use tax paid to the seller when the sale occurs.

Declaration and Authorization

By signing this declaration, I authorize the Washington State Department of Revenue to contact the seller regarding these purchases, and confirm that I have not obtained a refund or credit for these purchases from the seller nor will I seek such a refund or credit for these purchases from the seller in the future. I waive all my rights to prior notice of disclosure of tax information specified in RCW 82.32.330.

Instructions

1. What information needs to be completed on this application?

All applicable sections must be completed, and the application must be signed. Incomplete applications will not be returned. Submit **legible copies** of receipts and invoices, not the originals.

2. What will happen if this application is not fully completed?

You will be notified by letter that your retail sales tax refund claim was not accepted as filed. You may reapply for a refund within the time frame allowed by statute.

3. What is the allowed statutory time frame to claim a refund?

No refund may be made for taxes paid more than four years after the end of calendar year in which the tax was paid to the seller.

4. When can I expect my refund?

The department must on a quarterly basis remit exempted amounts to qualifying purchasers who submitted applications during the previous quarter.

5. How can I get the 4-digit code for the location of purchase if I don't know it?

The 4-digit location code can be obtained on the department's website at dor.wa.gov by clicking on the **Find the Sales Tax Rate (GIS)** link, on the homepage.

6. What documentation must be attached to this application?

You must provide **legible copies** of the following items:

- Invoices
- Receipts
- Copy of one line diagram provided with your equipment

7. Can I file for refund electronically?

Yes, go to the Department's website at dor.wa.gov and register for an online account or if you are already registered, sign in to "My DOR." On your My DOR home page in the *I want to* section, click **Send a Message** to compose a new message. In the drop down box click on Refund Requests then attach a scanned copy of this completed application and **scanned legible copies** of supporting documents.

8. Where do I mail this application and supporting documents if I do not file electronically?

Attn: Renewable Energy Refunds
Washington State Department of Revenue
PO Box 47476
Olympia WA 98504-7476

9. What records should I keep to support the refund claim?

Keep all supporting documents such as original receipts or invoices, proof of tax paid, and documents describing the machinery and equipment.

10. What if I have questions about this application?

Call the Department of Revenue at 1-800-647-7706, or send an email inquiry to **communications@dor.wa.gov**

If you have questions about an application you have already submitted, call (360) 705-6218.
