The above export facility operator hereby certifies:

That _____ percentage or more of all logs hauled to the above export facility location, _____, the same located on tidewater or navigable tributaries thereto, will be shipped by vessel directly to an out-of-state or foreign destination and the following conditions will be met:

1. The logs will not go through a process to change the form of the logs before shipment to another state or county.
2. There will be no intervening transportation of these logs from the time of receipt at the export facility until loaded on the vessel for the interstate or foreign journey.

*** The effective period of a certificate cannot be greater than one year.**
